

# A Total Sensory Experience

## We are now pleased to offer new signature aromas!

Delicious food, elegant decor, luxurious amenities, and good music only tell part of the tale. Complete your happily-ever-after story in a ballroom filled with a fragrant signature aroma from ScentAir.

Major university studies have found that people are more likely to remember information and details that they associate with a scent. It's true! Now you and your guests will have your signature aroma forever tied to the memory of your wedding day.
